

# PSMA PET IMAGING FOR PROSTATE CANCER

LET'S TALK

PSMA-PET STANDS FOR PROSTATE-SPECIFIC  
MEMBRANE ANTIGEN POSITRON EMISSION  
TOMOGRAPHY.

TALKING TO YOUR HEALTHCARE TEAM IS AN  
IMPORTANT PART OF MAKING SURE A TEST OR  
TREATMENT IS RIGHT FOR YOU.

## TOP TIPS

### Take someone with you if you can

They can remind you of the questions you want to ask and help take note of the answers.

### Record your conversation

Always check with the healthcare professional that is OK to do so first.

DON'T FORGET THAT ALL QUESTIONS ARE GOOD QUESTIONS!

Handwriting practice lines for notes.

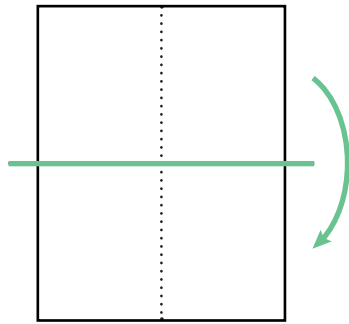

## MY QUESTIONS AND NOTES

## EXAMPLE QUESTIONS TO HELP START THE CONVERSATION

- Q What is a PSMA PET scan, do you think it's an option for me?
- Q What can the scans show and how might this impact my care?
- Q What about the safety of using radiation?
- Q Can I eat and drink normally before my scan?
- Q Will a PSMA PET scan be covered by my insurance?
- Q How accurate are the scans for detecting prostate cancer?

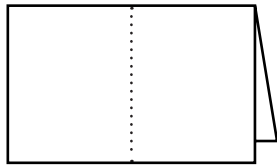

# HOW TO FOLD YOUR CONVERSATION CUE CARD

1

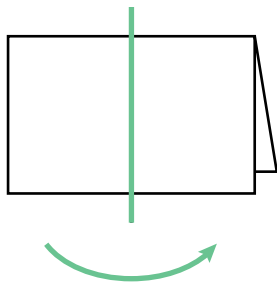

**FOLD IN HALF VERTICALLY,  
ALONG THE DOTTED LINE**

2

**YOUR PAGE SHOULD NOW  
BE IN HALF, WITH ALL THE  
INFORMATION FACING OUT**

3

**FOLD IN HALF HORIZONTALLY,  
ALONG THE SECOND DOTTED LINE**

4

**THERE YOU GO! YOUR CUE CARD  
IS NOW READY TO USE**
